Expo Bangladesh

2005 is the UK's first single-country exhibition of Bangladeshi products. Organised by the Bangladesh British Chamber of Commerce (BCCC-UK) and Bangladesh Export Promotions Bureau (EPB), Expo 2005 will be an important, exciting and innovative showcase for Bangladeshi products, manufacturers and talents.

I hope London businesses will use this opportunity to familiarise themselves with what Bangladesh has to offer and vice versa...

I wish the Expo Bangladesh 2005 every success.
